

**WORKPLACE SCENARIO CARDS**

---

You get to your car to go to work and see that you have a flat tire.

You are driving to work, but an accident is going to add 20 minutes to your drive.

Your child gets sick and has to stay at home. You are the only one who can stay and take care of him/her.

**WORKPLACE SCENARIO CARDS**

---

You are running late for work and are going to arrive late.

A coworker asks you to stop doing your job in order to help him/her.

A coworker asks you to do a task, but you don't understand what he or she means.

**WORKPLACE SCENARIO CARDS**

Your boss tells you to do a very specific task, but you don't know what he/she is asking you to do.

Your boss asks why you didn't finish a particular job, but you didn't know you were supposed to do it.

Your coworkers are making a decision about a job but are talking too fast and you don't understand.
